

Viticulture Essential Edition (2015)

1-6 Players Designer: Jamey Stegmaier, Stone, Pedersen

Duration: play until a player reaches 20 VP. 45 - 90 minutes.

Rules in Brief

Board Setup

by BGG user: schuetzsc

- Players takes pieces in chosen color: workers, grande workers, rooster, cork, wine bottle, structures
- Players place their **rooster** above the wake-up chart, **cork** on the START space of VP track, **wine bottle** in middle of the **Residual Payment Tracker**
- Players get a vineyard mat and 3 field cards: 5, 6, 7. Place field side up on vineyard.
- Shuffle 4 decks of **small cards** and place on board. Pick start player, award **1st player token**
- Shuffle **Mamas & Papas cards**, deal 2 of each to each player. Choose 1 of each to keep – rest to box
- Pick workers, cards, structures and $ indicated on Mama & Papa cards [choose clockwise from 1st]
- Play through Spring, Summer, Fall, Winter, then Year End until a player reaches 20 VP

Structures

Trellis: required to plant certain types of vines

Irrigation: required to plant certain types of vines

Windmill: after building, collect +1 VP when planting a vine [max 1 per year]

Yoke: can use 1x per season. Place worker on yoke to uproot 1 vine card to hand or harvest 1 field [even in summer]

Tasting Room: collect 1 VP when placing worker on the vineyard tour action if there is 1+ wine in your cellar

Cellars: medium, then large cellars allow storage of higher value wines & blush, also sparkling wine in large cellar

Cottage: draw a visitor card of choice at beginning of fall season [same or different type as card already drawn in fall]

End Game & Scoring

- When any player reaches **20+ VP**, the game ends at the end of current year

Game Play

- **Spring**: 1st player starts, then clockwise, **place rooster** on #, immediately gain bonus [if there is one]
- **Summer**: in wake-up chart order, **place 1 worker** on an available **yellow** summer action space [# available per # players  , some spots include bonus] & take the action, or pass. Slide rooster to right to indicate pass. Continue clockwise until all pass. **Grande worker** can go to space even when none available.
  - Place worker at cart at bottom of board to **gain $1**
  - Place at visitor center to **play 1 summer visitor card** [bonus: play 2 cards]
  - Place at Mercado to **draw 1 vine card** [bonus: draw 2 cards]
  - Place on path to give a tour and **gain $2** [bonus: gain $1]
  - Place at construction site to **build 1 structure**, place on vineyard mat, 1 each type max. [bonus: gain $1]
  - Place in field to **plant 1 vine** on an empty field or stack on existing vine [bonus: plant 2 vines]
  - Place at stand to **sell 1+ grape tokens** for price shown between crush pads  [bonus: gain ]
  - If the yoke  is owned, place worker to **uproot 1 vine card** [back to hand] **or harvest 1 field**
- **Fall**: in wake-up chart order, draw a summer or winter visitor card
- **Winter**: in wake-up chart order, **place 1 worker** on an available **blue** winter action space & take the action, continue play until all workers placed. Slide rooster to left to indicate pass.
  - Place worker at cart at bottom of board to **gain $1**
  - Place worker at upper left building to **draw a wine order card** [bonus: draw another ]
  - Place in field to **harvest**: add the red icons in a field to create 1 red grape token, same for white. Place red & white tokens on proper value on crush pad [bonus: harvest 2 fields]
  - Place at training center & pay $4 to **use next year** [bonus: gain $1]. 5 workers + 1 Grande max.
  - Place at visitor center to **play 1 winter visitor card** [bonus: play 2 cards]
  - Place at crush pads to **make wine**: must upgrade cellar to make blush, sparking, or high-value red & white. Move tokens from crush pad to cellar. 1 red + 1 white = 1 blush. 2 red + 1 white = 1 sparkling. [bonus: make 1 extra wine token]
  - Place by boat to **fill 1 order**: purple order card shows minimum wines needed – discard wine & fill order. Gain VP & move residual payment token # $ indicated on purple order card. [bonus: gain ]
  - If the yoke  is owned, place worker to **uproot 1 vine card** [back to hand] **or harvest 1 field**
- **Year End**: age grape & wine tokens [move to right], return workers to vineyard mats, collect residual payments  , discard down to 7 cards, rotate 1st player token counter-clockwise.
